
PERSONAL STATEMENT | LETTER OF INTENT LETTER OF INTEREST | STATEMENT OF PURPOSE

The statement should be concise and not redundant, as it is used as an indicator of your writing ability and to determine whether you, the student, fit their program. You will be selected for an interview based on your carefully thought out responses to these questions and many of the interview questions from the admission committee/panel will be taken from this document. So, select your responses thoughtfully and authentically. When you have answered all the questions, compile your responses into a narrative format and have someone from UND Career Services edit and/or proof it with you.

- **WHO am I?** Write a personal narrative of the following attributes you think will make you a good candidate for your professional role. Write in the first person tense (vs. third person).
