

Request to Reside with Parent(s) or Guardian(s)

Single, undergraduate students with less than twenty-four (24) transferable, post-secondary credit hours who enroll full-time at UND are required to reside in University owned housing.

Any deviations from this policy must have WRITTEN approval from the Housing Office. Exceptions may be made in accordance with the policy as published on the UND Housing website. No application will be honored without complete documentation. All information and supporting documentation must be received by the Housing Office by specified deadlines.

By submitting this form, *students are requesting to reside at the full-time established residence of a parent or guardian within 35 miles of Grand Forks, ND.*

Submission of the form indicates the following:

- I understand that residing with other relatives such as aunts, uncles, grandparents, siblings, or cousins, etc. is not applicable to the policy.
- I further understand that if the exception is approved and it is discovered that I am not living with my parent or guardian through any method or for any reason, I may be charged the appropriate housing and dining rate and may face student conduct sanctioning.
 - Periodic audits may take place to monitor that the student is indeed residing at home.
- I understand that if my living situation changes after an approved exception, I will notify the Housing Office of this change and may then be required to live in the residence halls.

Falsifying any portion of this document subjects the student to disciplinary action including possible suspension from the University of North Dakota.
